

BRITAIN FOR THE BRITISH

THE NATIONAL Front is a party of British Nationalism. This means putting the British people first in jobs, housing and welfare. It also means making the British Nation strong, free and independent. This is how the National Front will once again make Britain for the British!

HOUSE BRITONS FIRST

The National Front will put an end to the housing problem by returning the West Indian and Asian population to their lands of ethnic origin.

In the meantime the National Front demands that British families should be housed before foreigners.

Old Age Pensioners have worked hard throughout their lives. Many of them fought for this country in two World Wars. It isn't right that they should be ignored by councils more interested in ethnic minorities or 'gay rights'.

The National Front demands that pensioners should be put before immigrants.

PUT OUR OLD FOLK FIRST!

BRITONS IN NEED

Every year the Government squanders millions of pounds on 'foreign aid'. At the same time charities like 'Save the Children' and 'Help the Aged' spend more money in the Third World than in Britain. The NF has nothing against helping poor people overseas **but charity begins at home.** There are hundreds of thousands of British people in need. **Money should be spent on them first.**

While millions of British people rot on the dole, blacks and Asians are helped to find jobs by 'positive discrimination' schemes. This means that blacks and Asians will get jobs before British workers even if the British person is better qualified.

This is unacceptable: We demand British jobs for British workers.

JOBS FOR OUR PEOPLE

The National Front is proud to be British. That is why all our policies aim to make Britain for the British. That is why all our policies put the British people first. If you are proud to be British, make a stand now. Join the National Front!
